Subject: Freedom of Information

Dear [REDACTED]

Thank you for your enquiry of 27 March 2026 which we are treating as an FOI request. We are responding to you in accordance with the Freedom of Information (Scotland) Act 2002 [FOISA].

The Letter of Intent requested was issued from Scottish Government (SG) directly to Center Parcs so therefore it is for SG to handle any FOI request. Since the information you have requested is held by Scottish Government, we apply exemption under section 17 of the Freedom of Information (Scotland) Act 2002 (FOISA), we therefore advise you that we do not possess this information.

Regarding the assessment, we apply FOISA exemption under section 33(1)(b), substantial prejudice to commercial interests. We have considered and assessed that this would not be in the public interest to disclose as disclosure would substantially prejudice the interests of the organisation. On balance in this case, the public interest is in withholding the information.

Please note that the Competition and Markets Authority (CMA) report will ultimately be published for public access once the assessment is complete.

You have the right to request a review of the way in which this request has been processed. Should you wish to exercise this right, you will need to contact us within 40 working days of receipt of this email.

If you remain dissatisfied on completion of the review, you have the right to appeal to the Office of the Scottish Information Commissioner and thereafter to the Court of Session on a point of law only:
