Dear [REDACTED]

Thank you for your Freedom of Information request of 18 June 2025. We are responding to you under the Freedom of Information (Scotland) Act 2002.

FOI REQUEST (18 June 2025)

I would like to request the supplier spend data for South of Scotland Enterprise Agency. Specifically, we are looking for:

- Supplier payment/spend data from 2018 to the most recent months.
- Payments to suppliers over £500 or over £25,000, depending on your publication thresholds
- Ideally in Excel or CSV format, if available.

If any of the requested data is already publicly available or published online, a direct link would be greatly appreciated.

RESPONSE

Information on SOSE supplier spend over £25K is included in our annual Public Services Reform (PSR) Statements which are published on the SOSE [website](#). SOSE did not complete a PSR statement in its first financial year (2020-21), therefore we have provided it in the attached **Appendix A**.

| Financial Year | Comment |
|----------------|--|
| 2020-21 | Information is provided in Appendix A (attached). |
| 2021-22 | public-services-reform-act-sose-statement-2021-22-final.pdf |
| 2022-23 | public-services-reform-act-sose-statement-2022-23-final.pdf |
| 2023-24 | public-services-reform-act-sose-statement-2023-24.pdf |
| 2024-25 | We are in the process of completing our PSR Statement for 2024-25 which will be published on our website in due course. We therefore apply Section 27(1) of FOISA – information intended for future publication. |

USE OF SECTION 27(1) of FOISA - INFORMATION INTENDED FOR FUTURE PUBLICATION.

We have applied an exemption under section 27 of FOISA to the information requested for financial year 2024-25 because we intend to publish this information in our Public Services Reform Statement 2024-25 within the next 12 weeks.

Public Interest Test - this exemption is subject to the 'public interest test' and while we recognise that there is some public interest in releasing the information, this is met by our planned publication of the information in our PSR statement 2024-25 on our website. In the meantime, there is a greater public interest in taking the time necessary to ensure the information required for our statement has been properly collated, checked and approved before it is published. Also, we see no public interest in disrupting our programme of work to release the information earlier than intended. Therefore, taking account of all the circumstances of this case, we have considered if the public interest in disclosing the information outweighs the public interest in applying the exemption. In this instance, we have found that, on balance, the public interest lies in favour of upholding the exemption.

You have the right to request a review of the way in which this request has been processed. Should you wish to exercise this right, you will need to contact us within 40 working days of receipt of this email.

If you remain dissatisfied on completion of the review, you have the right to appeal to the Office of the Scottish Information Commissioner and thereafter to the Court of Session on a point of law only:
