Subject: Freedom of Information Request

Dear [REDACTED]

Thank you for your email of 22 April 2026 advising us that your FOI request [REDACTED] was now complete. We have provided a response to your FOI of 13 April, and we confirm the request is now closed.

REQUEST (13 APRIL 2026)

To ensure I correctly understand the recorded assurance being relied upon, please provide:

- The exact wording contained within the certificate that constitutes this outcome-based warranty or guarantee
- Confirmation as to whether that wording explicitly warrants that the final data state of each individual storage device is irrecoverable, or whether it confirms that a recognised erasure process was applied and completed

For clarity, this request relates only to the recorded wording of the assurance contained within the certificate and does not seek any technical or operational detail. Any commercially or security sensitive information may be redacted as appropriate.

RESPONSE

In accordance with Section 17 of FOISA we advise you that we do not hold the information you have requested.

Regards,
SOSE Corporate Governance Team
