

South of Scotland Enterprise Grant Awards

1 April 2025 – 30 June 2025

As of 30 June 2025, the list below shows financial assistance provided to clients of South of Scotland Enterprise (SOSE) between 1 April 2025 until 30 June 2025. However, not all of these monies may have been currently drawn down.

These awards are in alignment with the Scottish Government's economic growth ambitions.

SOSE, in line with its legislation, recently published its first [Five Year Plan](#), out of which future operating plans will be formed.

In 2023/24 financial year, SOSE engaged with 1,300 businesses, social enterprises, and community groups, of which 152 received grants which totalled £9.2 million.

In addition to the grants provided from 1 April 2025 to 30 June 2025, during the same period SOSE worked with 513 businesses, social enterprises and community groups.

SOSE remains on track to spend and distribute its budgets for the benefit of the South of Scotland.
