

## South of Scotland Enterprise Grant Awards

1 October 2025 – 31 December 2025

As of 31 December 2025, the list below shows financial assistance provided to clients of South of Scotland Enterprise (SOSE) between 1 October 2025 until 31 December 2025. However, not all of these monies may have been currently drawn down.

These awards are in alignment with [the Programme for Government](#) as well as the [South of Scotland Regional Economic Strategy \(RES\)](#).

SOSE, in line with its legislation, published its first [Five Year Plan](#) in 2023, out of which future operating plans are formed.

In the last financial year (2024/25), SOSE supported 2,156 businesses, social enterprises, and community groups, of which 558 received grants which totalled £10.3million.

In addition to the grants provided from 1 October 2025 until 31 December 2025, during the same period SOSE worked with 528 businesses, social enterprises and community groups.

SOSE remains on track to spend and distribute its budgets for the benefit of the South of Scotland.
